

Year 4 Excursion to SciTech

This week, I will visit SciTech with students from my class. We may also go with another Year 4 class.

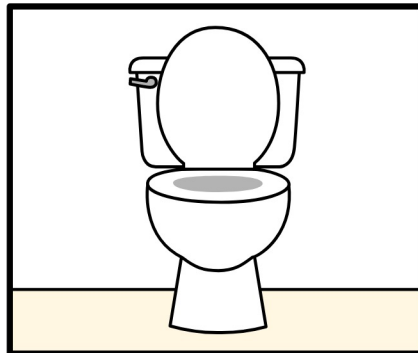

I will need to arrive at school by 8:15am and meet my teacher at my classroom.

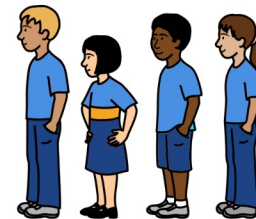

I will wear my school uniform and sneakers.

I will need to bring my water bottle, crunch & sip, recess, lunch, hat and break pack in my school bag.

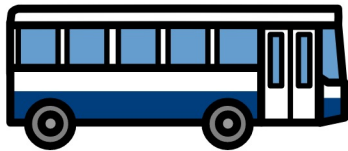

I can go to the toilet at school before we get on the bus.

After doing the roll, I will walk quietly to the bus with my teacher and class. The bus will be waiting for us outside the school near Room 50. We will leave school at 8:45am.

Year 4 Excursion to SciTech

A teacher will count the students as we get on the bus. We will then travel by bus to SciTech.

The bus might be noisy. If it's bothering me, I can talk to my teacher. I can also pack some regulation tools like headphones or small fidgets to help me. Another strategy I can use, is to look out of the window.

When the bus arrives at SciTech, I need to listen to my teacher and wait for instructions from the SciTech staff.

I must listen to my teacher and stay with my group throughout the day.

Throughout the day we will be visiting The Planetarium, The Science Theatre, Innovation Central and The General Exhibition Centre.

In The Planetarium, the lights will be on so I can find my seat. Once everyone is seated, the lights will be turned off and the room will go dark.

Year 4 Excursion to SciTech

In the Science Theatre, a SciTech presenter will perform an experiment on the stage.

In Innovation Central, we will explore the Crash Test Rating workshop.

The General Exhibition is a large space with lots of objects. Some of the exhibits are interactive which means I can touch them carefully. I will move around this area with my group.

It is important that I listen to my teacher and stay with my group. I can talk to my teacher if I need to use my break pack.

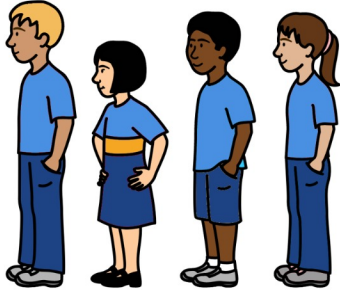

We will have our recess and lunch breaks at a different time. My teacher will let us know when we will have our breaks.

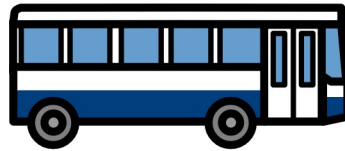

If I have any questions throughout the day, I can ask my teacher.

Year 4 Excursion to SciTech

When the activities are finished, I will walk with my class and teacher back to the bus.

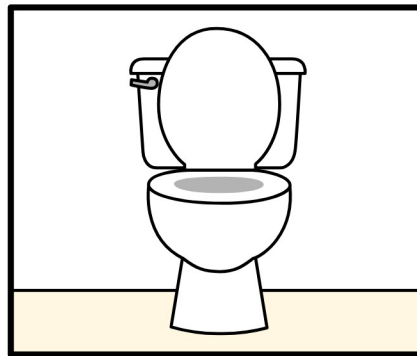

A teacher will count the students as we get on the bus. We will then travel by bus back to school.

The bus might be noisy. If it's bothering me, I can talk to my teacher. I can also pack some regulation tools like headphones or small fidgets to help me. Another strategy I can use, is to look out of the window.

When the bus arrives at school, I need to listen to my teacher's instructions.

Once we are back at school, I can go to the toilet if I need to.

My teacher will tell me what we are doing when we get back to class.
