

# Science Showcase Evening

The Science Showcase Evening is on Thursday 20th November 2025.

The Science Showcase Evening is for students to present their science project to family, friends and community members.

I can wear my school uniform or smart casual clothes that match my project. I can bring a water bottle with me.

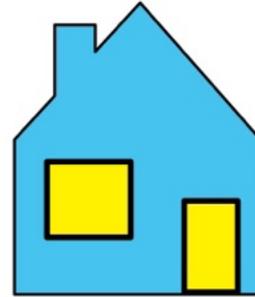

I will arrive at school by 5:20pm. I will go to the area that I will be presenting. My teacher will tell me where this will be.

The showcase opens at 5:30pm and finishes at 7:00pm. I will present my project to visitors.

Visitors will vote for their favourite 2 projects. The highest votes will win the Community Choice award which will be awarded the next day.

Students will pack up and go home between 7:00pm and 7:15pm.

If I have any questions, I can ask Ms Ram.
