

Year 6 Science Fair - Presenting

In Week 6, I will be presenting my science project to other classes.

Date	Room
Monday 17 th November	Room 19
Tuesday 18 th November	Room 26
Wednesday 19 th November	Room 24
Thursday 20 th November	Room 25

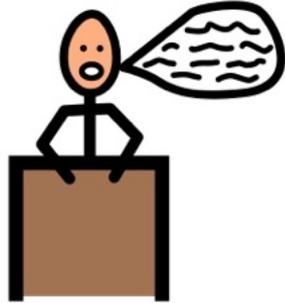

Each year 6 class will present on a different day. We will present in the undercover area.

On the day my class is presenting, I will set up my project in the undercover area in period 1.

In periods 2, 3 and 4, students from other classes will visit the undercover area.

I will present my project to the staff and students visiting.

Students will vote for their favourite project. The highest votes will win the Student Choice award which will be awarded later in the week.

At the end of period 4, we will pack away our projects and return to our classrooms.

If I have any questions, I can ask Ms Ram.
