

COLOUR Run 2025

Su M T W Th **F** S

On Friday, 12 December 2025, there will be a Colour Run at school. It will be after lunch.

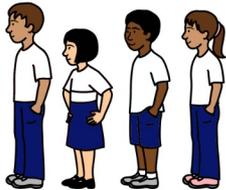

I can bring a white shirt.

I can also bring an old hat, goggles and sunglasses if I would like to.

I can pack a towel in my bag and a spare change of clothes if I would like to change after the colour run.

My teacher will tell when we need to line up and walk to the oval.

I will run around the oval with students in my year. There will be different obstacles.

Water will be sprayed, foam to splash through and coloured powder will be thrown to make everyone colourful.

If I want to, I can raise money from the school by asking my family and friends to sponsor me.

There will be prizes for the top 3 fundraisers. Plus, there will be more prizes drawn randomly for those who have registered to raise money for the school.

After the colour run, there will be cartons of milk given away. I can take one if I want.

If I have any questions, I can ask my teacher.
