

End of year update and 2026 information

Dear parents and carers,

Graduating class of 2025

Congratulations to the graduating class of 2025. Most of the class spent all their primary school years at Piara Waters Primary School, which also welcomed several new students from surrounding schools, interstate, and overseas. Together, they were a group of students with many diverse talents, skills, and human qualities. We wish them all the very best in their next stage of schooling.

We also wish our 52 families of year 6 students, who do not have any younger siblings at our school, the very best and thank you all for your support of PWPS over the years.

Thank you to Mrs Krapljanov (one of our fabulous EAs) for taking beautiful photographs of the Year 6 Graduation Ceremony for us. [Parents can find the links to view and download a short video of the ceremony and photographs on the Connect and Compass version of this notice.](#)
