LOCKDOWN PRACTICE

Staying Safe in our School

PIARA WATERS
PRIMARY SCHOOL

What is a lockdown?

A lockdown is when we stay in our classroom and lock all the doors.

Why do we have a lockdown?

We practice lockdowns so that we can stay safe if there is an emergency at our school.

When are we practicing a lockdown?

We are practicing a lockdown this week.

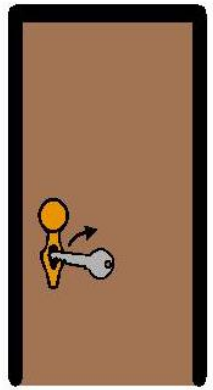

What happens during a lockdown?

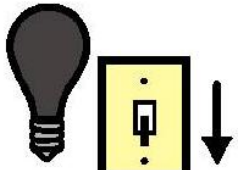

There will be an announcement on the PA to say there is a lockdown.

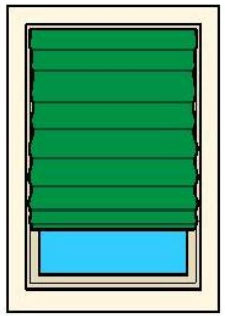

What happens during a lockdown?

- We stay inside.
- We lock the classroom doors.
- We turn off our lights.
- We close our blinds.
- We move to a safe space.
- We stay quiet.

- The teacher will say where the safe space is.
- It could be on the floor, or under a desk.

What happens during a lockdown?

If I am outside, I go inside, to the nearest classroom.

This might not be my own classroom.

If I am on the oval, the teachers might take us to the Undercover Area, or a classroom.

What happens during a lockdown?

If I am in MiniLit, or MaqLit, Bond Blocks or Lego Club, the education assistant or adult I am with, will move me to the closest classroom.

This might not be my own classroom.

What happens during a lockdown?

If I am in the library, I will stay there.

We will lock the library door, turn the lights out, pull the blinds down, and sit in a safe space.

Who is there to help?

A teacher or education assistant will be with you to help and keep you safe.

If I am with another teacher, or education assistant, they will look after me.

The end of the lockdown

There will be an announcement to say that the lockdown is ended.

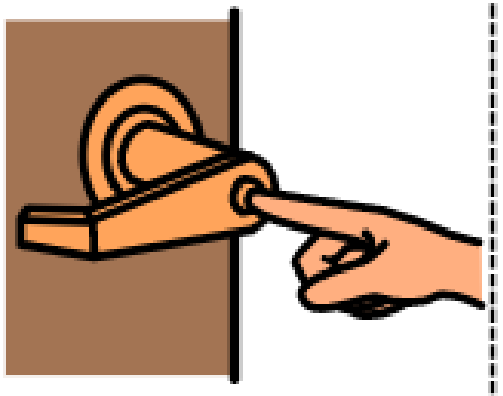

Practicing lockdowns

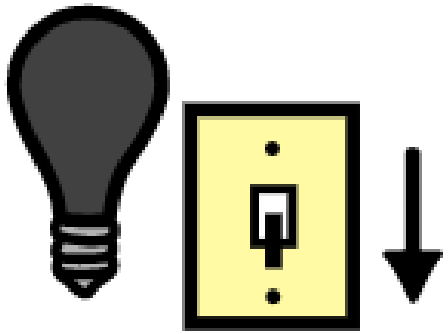

Practicing lockdowns helps keep us safe.

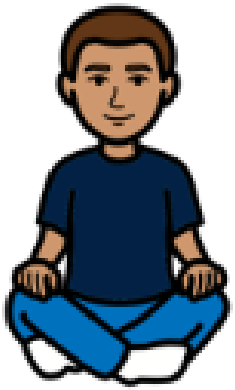

Remember:

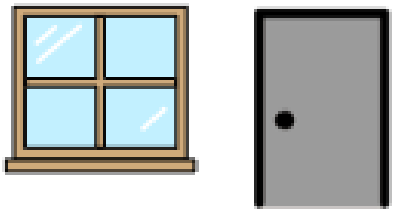

Lock the door

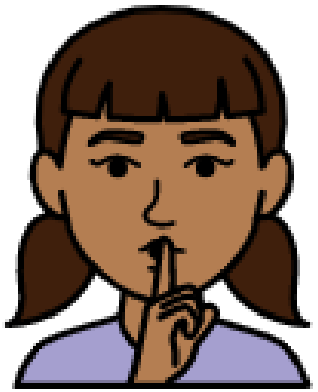

Turn off the lights

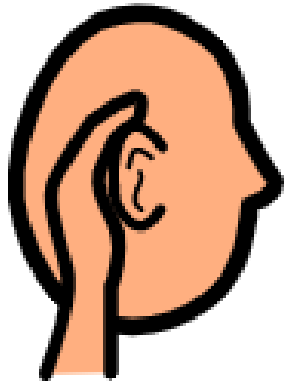

Sit on the floor

Stay away from windows and doors

Stay quiet

Listen to adults
